Sat, Jun. 17, 2023	10:00AM -12:00 PM	Riverdale Service Center

This workshop is the **second** of the two required Gold Award workshops, and must be attended when a girl has completed, or is near completing, her Journey work. Girls will gain an understanding of the necessary elements of a successful Gold Award Take Action Project, how to construct their project, and how to navigate the council approval process.

This workshop is mandatory for all girls who wish to propose a Take Action Project to council. The Gold Award Introduction is a pre-requisite to this program.
