Bring a special adult or your troop and your love of animals to meet some animal friends up-close and learn about mammals, reptiles, birds, and more from professional animal handlers. We'll play animal-themed games and make crafts. This program is available with an overnight option at Lake Rickabear Camp. Come join us for a pizza party, more animal-themed activities, a campfire, songs, and S'mores before settling into a cabin for a sleepover. This is a great opportunity for first-time campers! This program activity helps girls earn the Birdbath Award from the 5 Stories, 4 Flowers, 3 Cheers for Animals Girl Scout Daisy Journey. Fee includes patch, dinner, snacks, breakfast, and all activities. STEM patch can be purchased at the council shops. Adults must be current registered Girl Scout members with a completed background checks prior to registering for this program.
