

STEM Investigators

For: Girl Scout Juniors

Location: Sussex County Community College, Newton, NJ

Dates: Sat., March 25, 2023

Times: 9:30 a.m. - 1:00 p.m. or 2:00 p.m. - 5:30 p.m.

Fee: \$27 per girl

Build a paddle boat and race it while exploring mechanical engineering. Create colorful circuits and become a mini-electrical engineer. Learn about Civil engineering as you build a bridge and test it. Check out the world of chemistry through hands on experiments. You'll be led through these activities by female engineers and engineering students. At the end of the day, girls will earn the Girl Scout Junior Mechanical Engineering Badge which is included for the event!

Adults will have an opportunity to participate in a separate workshop focusing on "keeping STEM in her world." Please adhere to Safety Activity Checkpoints and have a minimum of two registered leaders/adults attend.
